

## CASINO GOERS WORLDWIDE

1,000,000+ Records

Regular visitors to Macao, Las Vegas, Atlantic City, and Monte Carlo. While on holiday in these cities, they try their luck at casinos and other gaming establishments. Most of them are recreational players rather than pros, and are prepared to spend a reasonable amount of money for the entertainment that gambling provides them. A survey aimed at understanding the general preferences of these gamblers is conducted regularly to determine their general gaming preference.
